## Herbal Tinctures

are herbal preparations made by extracting the valuable constituents from plants using appropriate solvents. Our formulas use the standard proportion of 1 oz. dried herb to 4 oz. of menstruum.

### • Cayenne

The "first-aid" herb has over 300 medicinal uses. Besides reducing the risk of heart attacks, the intake of cayenne has been found to have a positive effect on the circulatory system. It has been shown to lower cholesterol levels and the risk of blood clots. Studies have shown cayenne pepper to lower blood pressure.

### • Fibromyalgia Relief

This herbal formula contains herbs that have anti-inflammatory, anti-arthritis, antibiotic properties that enhance stress management and boost immunity. They include: Tumeric, Mangosteen, Milk Thistle, Eleuthro, St. John's Wort, Gotu Kola, Chamomile, Echinacea, Cayenne, Goldenseal with Gallardia Flower Essence for emotional support to expand Joy and enhance Hope.

### • Elderberry

Elderberries have been used for hundreds of years for the treatment of colds, fevers, flu and other respiratory ailments. Elderberry has been found to inhibit the replication of both type A and type B viruses.

### • Hawthorn

A traditional herb for the cardiovascular system. Used as a cardiac tonic, for edema, heart attack, to regulate blood pressure, for arteriosclerosis, inflamed heart muscle, for rapid/arrhythmic heartbeat, for a weak pulse, dropsy and heart murmurs. If you are taking heart medication, you may want to consult with your healthcare provider.

### • DetoxTea

This formula is rich in nourishing and tonifying the elimination system to boost the important function of cleansing the body to optimize immunity.

### • Passion Flower

Passion Flower was used traditionally as a calming herb for anxiety, insomnia, seizures, and hysteria. It is still used today to treat anxiety and insomnia.

Do **not** take passion flower if you are pregnant or breastfeeding. For others, passion flower is generally considered to be safe and nontoxic in recommended doses.

Possible Interactions: Passion flower may interact with the following medications: Sedatives, MAO inhibitors, or blood thinners. Consult health-care provider.

### • MemoriTea

MemoriTea is a potent blend of herbal extracts for optimizing brain health.

This formula is HIGH in Anti-aging, -plaque, -depressant, -alzheimeran, -dementia, -oxidant, -inflammatory as well as Cox-2 inhibitors and anti-cholesterase constituents.

The herbal extracts include: Basil, Celery, Thyme, Ginkgo Biloba, Gotu Kola, Green Tea, Oregano, Sage and Tumeric.

### • LongeviTea

Filled with anti-oxidant rich herbal extracts this formula reduces free radicals to help slow aging. Herbs include: alma, ashwaganda, peppermint, oregano, green tea, tumeric, ginger, cayenne. This tincture is packed with life-giving nutrients.

## Dream Creme NightBalm

• for stress relief/ sleep aid

Lavender

A dab applied to the temples calms mental/physical stress during the day. Taking three lo-o-n-g, slo-o-ow, **de-e-e-ep breaths** after applying, enhances relaxing results.

**Used at bedtime**, DCNB fosters healthy sleep, free of "sleep-drug hangovers." Nine herbal nervines nourish and strengthen nerves: Lavender, Catnip, Gotu Kola, Chamomile, Mugwort, Rosemary, Valerian, Skullcap & Passion Flower.

## Sensitive Skin Soothing Salve

• relief for eczema, psoriasis, acne

This remedy is inspired by a request from a mother for a child suffering from eczema. This rich herbal compound has brought welcome relief to her child and many others. Many customers have found it clears acne.

Main herbal ingredients: Black Walnut Hull, Burdock, Calendula, Comfrey, Chickweed, Echinacea, and Red Clover.

## Critter Cure Compound

• for pet "ouchies"

Contains extracts of three herbal antibiotics that promote natural healing for pets. Typically, wounded animals lick their injuries and this stimulates circulation. By licking the applied salve, the pet benefits from the herbal remedy internally and externally - for speedy relief. CCC also includes two herbs, wormwood and chapparal that boost immunity to parasites.

## Roasty Toasty Toesy Salve

• a warming balm

Blends fifteen herbs for increasing blood flow and providing soothing warmth where applied, esp. to hands and feet.

Beneficial during winter for outdoor work and sports. Warming without burning skin, RTTS brings relief to those with impaired circulation. It can be combined with AMB and DTH to enhance healing penetration.

• **Pest-Off (seasonal)**

Our Outdoor Ointment with sunscreen and formula for protection from stinging/ biting pests. Contains catnip extract more effective than Deet against insects.

Cayenne

## Memory Remedy

• For Optimizing Brain Health

This herbal formula provides brain food to nourish the brain, increase concentration/attention, enhance memory and perhaps, aid the prevention of symptoms of dementia.

The herbs in Memory Remedy are HIGH in constituents that have anti-aging, anti-inflammatory, anti-plaque, anti-oxidant, anti-depressant, anti-dementia and anti-alzheimerian, anti-cholinesterase properties, as well as, Cox-2 inhibitors. Apply behind the ears where the skin is the thinnest. The formula is absorbed transdermally to benefit the brain.

Memoritea is a complimentary formula, a tincture that can be taken internally.

## Deep Tissue Healing

(This herbal remedy is based on the Complete Tissue Formula by Dr. Christopher.)

Dr. Christopher, renowned herbal healer, used CTF to restore severely damaged bones, flesh and cartilage, i.e., burns, accidents, etc. DTH aids healing for persistent/re-traumatized injuries to: broken bones, torn muscles, cartilage and sinews. DTH contains *Muiru puama* - a "powerhouse" herb used by Shamans in the Amazon Basin for healing.

NOTE: These products have not been evaluated by the Food & Drug Administration. No claims regarding the treatment or cures of any conditions or diseases are being made. Consult a qualified health care provider for diagnosis/treatment. Pregnant or lactating women should use caution when using these or any herbal products. Herbal products often yield better results when used for six days with a break on the seventh day before continuing another six-day cycle. There can never be any guarantees that herbs will always help or heal a health problem for which they are indicated. There is no form of healing, herbal or otherwise, that can make such a guarantee. We believe all healing begins at the spiritual level.
