Our Healing Herbal Salves

CRITTER CURE COMPOUND

For pet 'ouchies'.

Contains extracts of 3 herbal antibiotics that promote natural healing for pets. Typically, wounded animals lick their injuries which stimulates circulation. By licking the applied salve your pet benefits from the herbal remedy internally and externally - for speedy relief. CCC also includes 2 herbs, wormwood and chaparral that boost immunity to parasites.

ROASTY TOASTY TOESY

Our warming balm contains a blend of 15 herbs that increases blood flow and provides soothing warmth where applied. Especially when applied to the hands and feet.

It's beneficial during winter outdoor work and sports. It warms you without burning the skin and it brings relief to those with impaired circulation.

Combine it with Amazing Muscle Balm and Deep Tissue Healing for enhanced penetration.

SENSITIVE SKIN SALVE

Provides relief for eczema, psoriasis and acne.

This remedy is inspired by a mother's request for her child suffering from eczema. This rich herbal compound brought relief to her child and many others. Many customers found it also clears acne.

Main herbal ingredients: Black Walnut Hull, Burdock, Calendula, Comfrey, Chickweed, Echinacea, and Red Clover.

PEST-OFF

Our Outdoor Ointment combines sunscreen and a formula that protects you from biting / stinging pests. It contains catnip extract which is more effective than DEET against insects.
